February, 2017

Painting by Kathleen Noyes

The Wisdom of Ordinary Things, a group exhibit at the Gallery Within at Reversing Falls Sanctuary in Brooksville opens with a reception Saturday, Feb. 4 from 4:00 to 6:00 p.m. The show, including both 2-D and 3-D work from twelve artists will run through February 28.

Quilt by Lesley Brody Nelson

Curated by Bec Poole, this exhibit expresses the enduring wisdom of cherished things or experiences. Exhibiting artists include Daksha Baumann, Leslee Fiveland, Karen Galella, Wendy Eysenbach Jagger, Melody Lewis-Kane, Lesley Brody Nelson, Kathleen Noyes, Amelia Poole, Annie Poole, Rebecca Poole-Heyne, Penny Ricker, and Pat Wheeler.

Our lives are mostly filled with moments that slide past, seemingly anchored only by the details that punctuate and define our experiences. Like islands in a river, these familiar and beloved details stay put and have great meaning while life speeds on.
