REVERSING FALLS SANCTUARY WindowDresser Local Community Build – 2015

Warm hearts, warm homes – what a winning combination!! More than 70 volunteers offered their time and talent to build 300 insulated window inserts for their neighbors the week of October 26th at the Brooksville Community Center. Akin to a barn-raising, agile hands worked in harmony to make this project – whose goals were to weatherize “leaky” windows, reduce CO2 emissions, and build community – a smashing success. Like the barn-raising of old, good food and lilting music made the experience a most enjoyable one for all participants. Window insert recipients are quite enthusiastic about the difference the windows are making in their homes thus far. A large **THANKYOU to all who offered their hands and hearts to this worthwhile project.**

A meeting was held recently to discuss the project and to plan for the Local Community Build – 2016. Many persons have taken on leadership roles and have already begun planning for next year's build!!!

Window Dressing

(to the tune of Morning Has Broken)

***My windows are broken, they're
leaky and drafty***

***Our storm panels fix them, they're
a pretty good deal***

***Praise for the workers, who help
us conserve heat***

***Working together, our homes are
preserved.***

***Gratitude, Interest, Joy, and
Amusement***

***Pride, Inspiration, Hope, Love
and Awe***

***Serenity finds us, community
binds us***

***Praise for it springing fresh from
our works.***

By Richard Gregor

**Thanks Tony, you led us to make a difference in our community.

Event information continuously updated at www.reversingfalls.org

Thank you Kathleen Caldwell, webmaster for a masterful job.

Tony Amon trimming tree at Reversing Falls.

Thank you Tony Amon.

Thank you David Vandiver for exquisite work rebuilding the stage.

Thank you to the many workers who created such a successful Windowdressers Build in Brooksville.

Thank you to those who have volunteered to lead next year's Windowdressers project.

Thank you to Anne Ferrara for the report on the build.

Thank you to Carol Gregor for photos of the build and to Tony Ferrara for the photo of Tony Amon.

Thank you to Chris Farrow-Noble for her work as corresponding secretary and to Zuzonna Huot for taking on that responsibility.

And thank you to the many friends of the Reversing Falls Sanctuary Community who volunteer their time and talent in many ways large and small.
